Clerk, U. S. Bankruptcy Court, Southern District of Mississippi

Date: March 10, 2005

Subject: *Implementation of CM*

Effective, Monday, March 14, 2005, this office will begin using the **Case Management (CM)** module of *Case Management/Electronic Case Filing (CM/ECF)*.

What does this mean for you? You will continue to file petitions and documents in paper format. The clerk's office staff will enter the pleadings on docket and link the docket entry to an image of the filed document. You will be able to access and print via the PACER system an image of any document filed after March 14, 2005.

Once the staff is acclimated and proficient with the Case Management side of the system, we will begin to train the trustees, debtor attorneys and creditor attorneys to electronically file documents. I plan to maintain an aggressive schedule with moving forward to Electronic Case Filing.
